

ORDER RETAIL REVIVAL

"RETAIL REVIVAL How to achieve HIGH PERFORMANCE in SALES and customer service"
is a story based on T.H.A.N.K.Y.O.U.®

It is a practical down-to-earth book on selling for the retail environment. It is not a book of 'tricks' to con the customer. It is a 'how-to' guide that will improve your interaction with people generally and, most of all, your customers.
